

CHIEF PATRON

Shri M.V. Muthuramalingam,
Chairman, Velammal Educational Trust

PATRONS

Shri. M.V.M. Velmurugan,
CEO, Velammal Engineering College

Dr. Mathivanan Elangovan
Advisor, Velammal Engineering College

Dr. N. Duraipandian,
Principal, Velammal Engineering College

ORGANIZING SECRETARY

Dr. G. Prabhakaran
HoD, Mechanical Engineering, VEC

CONVENERS

Dr. D. Devika, Professor, VEC
Dr. A. Krishnakumari, Assoc. Professor, VEC.

ORGANIZING COMMITTEE

Mr. M. Saravanan, Asst. Prof., VEC, Chennai
Mr. P. Senthil kumar, Asst.Prof., VEC, Chennai

HOW TO APPLY

The photo copy of the filled in registration form duly signed and recommended by head of the Institution / Department may be sent to the convener along with the demand draft which has to be drawn in the favor of “Velammal Engineering College” payable at Chennai.

TARGET AUDIENCE

Faculty members, Participants from Industry, Research scholars working on NDT and their applications in various Engineering fields.

IMPORTANT DATES

Last date for Registration : 01.07.2016
Intimation of Confirmation : 02.07.2016
(through Email)
Date of Workshop : 7th & 8th July 2016

REGISTRATION FEE

Participants from
Industry : INR 750
Academia : INR 500
Research Scholars & Students : INR 300

ADDRESS FOR COMMUNICATION

Dr. D. Devika
Department of Mechanical Engineering,
Ambattur-Red Hills Road, Surapet,
Velammal Engineering College, Chennai.
Email:- devika.mech@velammal.edu.in,
Mobile:- 9443096125, 9176646766.

TWO DAYS NATIONAL LEVEL
WORKSHOP

ON

NON-DESTRUCTIVE TESTING & EVALUATION

7TH & 8TH JULY 2016

Organized by

**Department of Mechanical Engineering
Velammal Engineering College**
Ambattur-Red Hills Road, Surapet,
Chennai-600066.

ABOUT THE INSTITUTION

Velammal Engineering College was established in the year 1995. It is accredited by NAAC. It offers 9 UG, 9 PG programmes and many of the departments are recognized as Research Nodal Centre by Anna University through which scholars can register for their Ph.D.

The College has signed MoU with research organizations and industries in order to promote innovative projects for sharing technical ideas among faculty and students. Due to the excellent academic climate in the campus, UG and PG students of our College enjoy good campus placement prospects in reputed MNCs.

ABOUT THE DEPARTMENT

The Department was established in the year 1999-2000. The department has a dedicated team of 42 teaching staff members, 11 non teaching staff members and 929 student members. The department has 12 doctorate holders, 15 faculty members pursuing their doctoral degree.

The department is accredited by the National Board of Accreditation (NBA). It is fully equipped with the state of the art laboratories and also a nodal centre for research under Anna University, Chennai. The department offers a postgraduate program in Internal Combustion Engineering since 2006.

The Department has membership with professional bodies like ISTE, SAE-INDIA, ISHRAE, ENFUSE etc., and has signed MoU with various industries and R&D establishments.

The Department of Production Engineering was established in the year 2008. The Department of Production Engineering is a continuous trainer of high caliber Production Engineers who are technically competent, socially committed and disciplined with creative ability, innovative thinking and managerial skill to manufacture quality products for the nation. The faculty members are actively involved in executing R&D projects funded by DST, AICTE and also in consulting projects for many reputed industries.

NDT lab is established in our department through DST-FIST fund.

ABOUT THE WORKSHOP

NDT is the emerging area which extends its application in various fields of Engineering & Research. This workshop majorly focuses on introducing various Non-destructive testing techniques, to provide a strong foundation to the testing techniques through interactive sessions and demonstration, to make participants understand the applications of various NDT equipments.

TOPICS BEING COVERED

- Brief introduction to Power plants, Oil refineries, Rigs & Aerospace.
- Introduction to Nondestructive testing.
- Types of basic NDT methods including theory and practical demonstration (NDT lab facility at host institute)
- NDT in your career path.
- Industrial visit to TVS – Sundaram Clayton Ltd.

TWO DAYS NATIONAL LEVEL WORKSHOP
ON
NON-DESTRUCTIVE TESTING & EVALUATION
7th & 8th JULY 2016

REGISTRATION FORM:
